

P R O G R A M

of the Macedonian Scientific Society for Autism for year 2019

In the course of 2019, the Macedonian Scientific Society for Autism plans to perform several activities:

- Activities within the Erasmus plus Autism PCP project;
- Involvement in and/or organizing activities for celebrating of the World Autism Awareness Day - April 2;
- Providing training to kindergarten and primary school staff on the territory of the city of Skopje, and, if necessary, in the other cities in The Republic of Macedonia;
- Participation of MSSA members at project meetings within the Erasmus plus EU project: "Autism PCP project", in Romania and Italy;
- Intensify the cooperation with the local authorities, the relevant ministries and the NGO sector;
- Starting preparatory activities for the ReAttach Conference to be held in May 2020 where MSSA appears as a co-organizer;
- Application for international projects (through EU funds, etc.);

President of MSSA,

Prof. Dr. Vladimir Trajkovski
