

P R O G R A M

for the work of the Macedonian Scientific Association for Autism in 2022

During 2022, the Macedonian Scientific Association for Autism plans to perform several activities:

- Ongoing activities of the Erasmus Plus project **LEBEL**;
- Finalization of activities within the Erasmus Plus **Autism Friendly Places** project; 7 people will go to training in Malta from 23-29 January 2022. Organization of 12 workshops (youth hubs at 4 locations in Skopje, Prilep and Gostivar). In April promotion of the project.
- Launch of the Erasmus Plus project "**Accessible digital education for learners with autism and intellectual disabilities: Innovating solutions and enhancing educators' competencies**".
- Launch of the Erasmus Plus project "**Inclusion through social skills for students with autism and intellectual disability**"
- Involvement in activities to mark the International Day of People with Autism April 2;
- Holding webinars with world-renowned autismologists;
- Application for international projects (through EU funds, etc.).
- Regular maintenance of the MSSA website and social media.

President of MSSA,

Prof. Dr. Vladimir Trajkovski
